Help with Fostering Inventory (HFI)

Foster parents often have help to care for a foster child. Listed below are different people and groups who help foster parents. Ask yourself this question. “When I need help with fostering, how much help can I get from the people and groups I know?” Select the response that best indicates how much help you can get from the person or group listed. If there is no such person or group in your life, select “not applicable” (0).
